PORTFOLIO

WHATSAPP

My name is Gabriel Santomero and I am a graphic designer specializing in advertising and marketing. With over 10 years of experience in the field of graphic design, I have had the opportunity to work with several important companies, providing them with creative and effective solutions for their marketing needs.

In addition, I have specialized in 3D design, which has allowed me to offer my clients innovative and attractive solutions in presenting their products or services. My experience in 3D design has been highly valued by the companies I have worked for.

As a graphic designer, I have a creative and strategic approach to project development. I always look for ways to highlight my clients' brand and products and make them stand out in the market.

I am confident that my experience and skills in graphic design and 3D design will be of great value to any company looking for a creative and effective designer. If you are interested in my work or would like more information, please do not hesitate to contact me.
